Downhill Ski and Snowboard Trip

Ski-in, ski-out from the foot of the Mont Ste Anne gondola and enjoy your stay at Château Mont Sainte Anne. Get on the hills as early or as late as you wish; no bus, no shuttle, maximize your skiing and your relaxing time. Try some night skiing if you want to take a couple of top to bottom runs after the sun goes down. Mont-Sainte-Anne is renowned for its impeccable snow conditions, grooming and expert area. The skiable terrain includes 71 trails covering 73 kilometres spread across 3 sides of the mountain. After sundown, 19 trails remain floodlit for night skiing. The skiing terrain offers breathtaking scenery all around the mountain, with the St. Lawrence River, Ile d'Orléans and the Laurentians. Mont-Sainte-Anne and has one of the largest snowmaking systems in the East. Lifts include 1 high speed 8 person gondola, 4 quad chairlifts (1 is high speed, 1 has bubble covers) and 4 surface lifts. There will be an optional excursion into Quebec City one evening to see old Quebec and experience some French cuisine at a restaurant of your choice in the old town. Meal cost is not included.

We are not organizing a X-country program on this trip but those interested could make their own way to the nearby Mont-Sainte-Anne Cross-country Ski Center. It offers the largest X-country area in Canada. It is nestled in the beautiful scenery of the Laurentian forest and features 200 km of trails, including a 191 km network for skate skiing. It is located only 7 km from the downhill area, where skiers have direct access to the cross-country network. If you're looking for something other than downhill or cross country skiing, consider snowshoeing – the area boasts 37 km of snowshoeing trails accessible at the ski resort. Dog sledding is also available for an additional charge.
