

W3 Tremblant Mid-Week, U-Drive

Downhill, Snowboard and X-country Combination Trip

Because of COVID-19 restrictions, this is a u-drive trip. There is no luxury coach as in previous years. Carpooling within your bubble will be the best way to travel. Outdoor parking is available at no charge. Again because of COVID-19 restrictions HPSC cannot assign a roommate. If you register as a single, you will pay the single supplement cost and occupy a single room.

Repeated this year after overwhelming interest in this mid-week trip last season! Here is your opportunity to ski Tremblant in prime mid-winter conditions. Optimum time, good snow, no lift lines and no crowds. This is a combination trip for downhill and X-country skiers alike. Downhill skiers will ski in/out from the base of Mont Tremblant gondola. Start as early or as late as you wish; no bus, no shuttle, maximize your skiing and snowboarding, and your relaxing time. Join a group for guided skiing, get some valuable tips, and ski a variety of terrain. Downhill skiers and snowboarders will discover all the areas of this extensive resort mountain.

X-country skiers can either ski directly from the hotel (~10 km), or drive (15 min) to nearby trails of Domaine St-Bernard on any day of the week. Tremblant area trails offer great X-country skiing especially at this time of year.

Share your stories, après-ski with other members prior to going out to dinner at many restaurants in the village. Or eat in your own suite with full kitchen facilities.

A visit to Tremblant offers you an unbeatable opportunity to reconnect with the joys of winter. With 96 runs serviced by 14 state-of-the art lifts, the mountain dominates a stunningly beautiful countryside. Here, those who live for the great outdoors and love to breathe clean air have the perfect playground. Taste the freedom, dare the mountain, enjoy the village, live Tremblant to the fullest.
