

C1 Revelstoke (Stoke Hotel), British Columbia

Downhill Ski and Snowboard Trip

Revelstoke is the ultimate skiing and snowboarding destination. A world-renowned heli-ski mecca, it's the only resort with access to cat skiing, heli-skiing and backcountry skiing from the base of the mountain. And with 75 marked inbound runs, you may feel like the possibilities are endless.

Over 120 years of skiing history has become part of the town's fabric, creating a community that celebrates winter in all its forms. If you live for snow, welcome home! Revelstoke holds the record for the most snowfall in Canada in a single winter at 80 ft or a whopping 2,438 cm, and the Resort's slopes are blanketed in an average of 10.5 metres of powder every winter.

At its core, Revelstoke has three defining pillars that keep loyal snow seekers coming back year after year: Big mountain terrain, small town vibes and, of course, legendary powder.

Please note: this trip is recommended for advanced intermediate to expert skiers only, with top to bottom glades. Most of the terrain is ungroomed, and even the groomed runs can be steep!
