

C5 Whistler (Listel Hotel), British Columbia

Downhill Ski and Snowboard Trip

Whistler is consistently ranked the number one ski resort in North America. Famed for its epic terrain, it's one of those places that looms large in ski mythology.

Whistler is an exceptional ski resort. A mile of vertical, two massive mountains, stunning terrain, huge snow, an Olympic pedigree, a long season and a village with a vibe to rival anything on the planet – the superlatives go on and on. It ticks all the boxes – and then some!

Anyone who has ever clicked into a pair of skis or tightened the bindings on a snowboard should make the pilgrimage here at least once. As legendary ski filmmaker Warren Miller put it: 'If you don't come this year, you'll be a year older when you do come.'
